Speaker Bio

Joe and his wife Jill met at Western Michigan University where they were both collegiate athletes. Joe played basketball and Jill ran cross country & track. Despite not playing college football, Joe was drafted into the NFL as an offensive lineman, playing a total of 9 season for the Baltimore Ravens and the Colts. Joe and Jill have been married for 10 years and have been blessed with six high energy children. Joe is a cradle Catholic and Jill is a convert to the Catholic faith. Joe's deep convictions for the Catholic faith never left him. Jill questioned what the Catholic faith was all about while maintaining her own personal relationship with Jesus. Joe not only had the task of bringing Jill to fall in love with him but also stand by her as she uncovered the truth and beauty of the Catholic Faith.

Joe and Jill are like all of us, struggling with the challenges of marriage, work, kids, and the world. Holding fast to their faith in a troubled world, Joe and Jill will help us understand that at the end of the day, all that matters is getting to HEAVEN!!

Joe and Jill will share their fascinating journey through education, college & professional athletics, and family life. No matter what your age or vocation in life Joe and Jill will inspire you with their humor and their witness.
